### ENGINE

|                   |                                                 |
|-------------------|-------------------------------------------------|
| Type              | PMSM brushless motor                            |
| Capacity          | 21kW                                            |
| Battery (charger) | 73V 50Ah NCM lithium (110 - 240V)               |
| Charging Time     | 5.5 hours                                       |
| Max Charge Range  | 129km                                           |
| Transmission      | 4 speed plus reverse (eco, trail, sport, turbo) |
| Final Drive       | Chain                                           |
| Starting System   | Key switch, button                              |

### CHASSIS

|                  |                                          |
|------------------|------------------------------------------|
| Frame            | Aluminium alloy perimeter                |
| Front Tyre       | 80/100-21                                |
| Rear Tyre        | 110/90-18                                |
| Front Suspension | Hydraulic USD fork (preload adjustable)  |
| Rear Suspension  | Hydraulic monoshock (preload adjustable) |
| Front Brakes     | 270mm hydraulic ventilated wave disc     |
| Rear Brakes      | 240mm hydraulic ventilated wave disc     |

### MEASUREMENTS

|                        |                       |
|------------------------|-----------------------|
| Dimensions (L x W x H) | 2,135 x 835 x 1,210mm |
| Seat Height            | 920mm                 |
| Wheelbase              | 1,490mm               |
| Ground Clearance       | 340mm (unladen)       |
| Weight (with battery)  | 108kg                 |
| Max Payload            | 120kg                 |
